RE: **Recommendation of Award of Contract
Levee Drive Duct Bank Construction**
DGR Project No. 426106

Dear Brad:

We have reviewed the bids received on May 14, 2021 for the above referenced project. A bid summary form and detailed tabulation of the bid results is enclosed. We have checked the bids for mathematical accuracy and compliance with the bid specifications. We are hereby prepared to offer the following recommendation.

There were five (5) bids received ranging in price from \$284,680.00 to \$997,000.35. The apparent low bid evaluated was from Castrejon, Inc., of Blaine, MN, who submitted a total price of \$284,680.00. We have worked with Castrejon, Inc., on projects in the past, and know of no reasons why they would not perform well on this project. We therefore recommend that you award the contract to Castrejon, Inc., for a total price of \$284,680.00.

Please pass on our recommendation to the Utility Commission and feel free to contact us with any questions. Let us know when an award has been made, and we will proceed with preparing the Contract Documents for signatures. We will be sending a copy of the bid summary to all bidders and plan holders.

Best Regards,

DGR Engineering

Stuart Anderson
