COST OF INSPECTION IS \$105.00 TO BE PAID PRIOR TO INSPECTION

Provide a descriptive location of backflow assembly onsite.

I am authorizing SPU to inspect the backflow assembly on my lawn irrigation system at the above address and confirm the water supply to my irrigation system is on. I understand this inspection cost does not include any repairs that may be required as a result of this inspection. Inspections will not be conducted without receipt of this form and full payment. Only one scheduled visit by SPU is included with this fee.
